

# 2023 Highlights

*Thank you for all your generous support!*

## 135

### **PROGRAM EVENTS & VISITS**

Including bioassessments, garden work days, group visits, flax work days, tabling events, trail clean-ups, guided trail walks, and dedicated PRISM (Partnership for Regional Invasive Species Management) outreach events.

## 9,644 lbs

### **FOOD SCRAPS DIVERTED**

And turned into compost for the gardens! This is based on our partnership with the City of Albany as a food scrap drop-off location for community members.

## 8

### **HIGH SCHOOL STUDENTS**

Participated in our year-long internship. This paid program aims to empower students through hands-on activities and cultivating a safe and creative space for expression.

## 50

### **GRAZING DAYS**

Grazing days to help suppress Common Reed (*Phragmites australis*).

## 5

### **PROGRAM STEWARDS**

These were former high school students hired as employees to support Tivoli Programming during the season.
